Rebsorte: Sangiovese grosso  
Schöner Alltagswein  
Alk.: 13,5%  
Enthält Sulfite

### Beschreibung

The brightness of the ruby-red colour typical of the Sangiovese in these areas is clearly visible.

It is lively on the nose, expressing the freshness of small red fruits such as cherries and redcurrants, followed by sweet and spicy notes.

It unfolds on the palate, full and plush, enhancing the taste of ripe red fruits. Elegant tannins, remarkable persistence.

It is a flexible wine to pair, with food ranging from hearty pasta dishes to white meat or fairly delicate dishes.
