Eigenschaften

Pisoni, Trentino, Italia, BIO

Rebsorte: Chardonnay

Leichter, mineralischer Weißwein

Alk. 13%

Enthält Sulfite

Beschreibung

The Pisoni family has been producing this wine for generations; it is a blend realized with grapes coming from vineyards located at an altitude of 450 metres, on the hill of San Siro, close to the small Romanesque church that carries the same name. It is such a curated and peculiar wine that on July 23rd 1930 the bishopric of Trento recognized it as “Mess wine”, therefore as “genuine vine wine produced for the celebration of the divine sacrifice”. Chardonnay is balanced and precious, with a scent of ripe fruit and a soft and fresh sip.

Blend

100% Chardonnay

Refinement

3-4 months in steel tanks

Bottle maturation

2-3 months

Look

straw yellow

Smell

yielded, Golden Delicious apple

Taste

delicate, fresh and yielded, ripe apple
